Friday 14th October

What's it all about?

Green Jumper's sole aim is to help save this beautiful planet on which we live.

On Friday 14th October 2022 (referred to as Green Jumper Day) schools, businesses, shops, and other organisations will turn down the heating, and keep warm by wearing an extra layer. If that layer is a Green Jumper – fantastic!

The money saved will (along with any donations) will be used to plant trees and educate the next generation about the importance of mitigating climate change.

**Green Jumper
- for the next
generation**
